Attachment to Special Order  
Chamberlain Airfield Campground

Campfires: Open (uncontained) camp fires will be built only in Forest Service provided fire rings in the area specifically defined around the Chamberlain Airfield, EXCEPT, an open campfire may be built where appropriate precautions are taken, through the use of a fire pan or other similar device, to prevent ground scorching. The ashes from the use of such fire pan or other similar device may be drowned and when cool disposed of by scattering out of sight, away from commonly used camping areas in the brush.

Horse Holding: Camping with horses will be at sites designated for such use in the Chamberlain Airfield Campground area. Such camping shall be limited to one 24 hour period every 7 days. At all other locations within the specified area, horses may be ridden for the purpose of travelling through the area or held for short duration (periods not to exceed 2 hours) only while loading or unloading of gear and equipment, where such use shall not interfere with other uses of the airfield or camping areas.
